Dr. Grandin is a best-selling author and professor of animal science at Colorado State University. She has been featured on numerous TV and radio shows and publications, and was named one of Time magazine’s 100 Most Influential People in 2010. Her life story was recently made into the award-winning HBO movie “Temple Grandin.” In 2017, she was inducted into The Women’s Hall of Fame and, in 2018, made a fellow by the American Association for the Advancement of Science.

Dr. Bell is a TED speaker, a diversity and inclusiveness consultant for Pixar Animation Studios, a 2017 David Letterman Award winning media scholar, and the 2017 Denver Comic Con Popular Culture Educator of the Year.
Tour Schedule

UCCS Farmhouse
Tour our urban farm and greenhouses and enjoy a healthy, seasonal, and locally procured lunch prepared by our UCCS SWELL (Sustainability Wellness Education and Learning) students, many of whom are pursuing a graduate degree in sports nutrition.

Hybl Sports Medicine and Performance Center
Visit the newest building at UCCS, scheduled to open in April 2020. The Hybl Center will promote the concept of “Exercise as Medicine” by using protocols developed with athletes and translating them for patients with diseases ranging from diabetes to cancer.

United States Olympic and Paralympic Training Center
Meet the staff and tour the kitchens where our country’s elite athletes eat. With our incredible vistas and unparalleled natural training grounds, Colorado Springs is proud to be home to the US Olympic Committee Headquarters, 20+ National Olympic Governing Bodies, and 50 National Sport Organizations.
